Now in its fourth edition, this leading reader has been updated with the aim of tightening the focus of each chapter on a major interpretive problem. This edition includes an entirely new chapter, Historical Memory, which allows readers to revisit the era of the Cold War from a contemporary perspective, and the chapters on nationalism and globalization have been thoroughly revised. The book continues to offer a rich variety of materials that can be tailored to the needs of individual instructors.

The reader's unique and successful chapter organization provides a thematic complement to narrative accounts of modern Latin American history. By focusing each chapter on a single concept or interpretive problem such as nationalism, women's rights, or social revolution the text engages students in the analysis of

historical sources and, at the same.
