Brandi is an active little girl who just loves the exciting game of soccer. She has four colorful outfits to wear on the soccer field complete with shin guards, gloves, and cleats. Whether she is the goalkeeper stopping the ball from passing over the goal line, or kicking the winning goal, she will look great and be safe on the field. Just lift up the costume stickers and place them on Brandi, who is on the inside back cover of this book. You can use the stickers over and over again so be sure to put them back on the pages for safe-keeping.
