Every student who wants to live and work in the global economy should study abroad. This book helps make the case, and guides students through the process with 100 practical, easy-to-follow tips. The book provides comprehensive information that students, parents and study abroad advisers can trust. Each chapter contains lively and engaging how to information, including useful anecdotes from students and advisers. Three leading study abroad experts -- Stacie Nevadomski Berdan, Allan E. Goodman and Sir Cyril Taylor-- join forces to offer the most comprehensive advice available.
